Please take note of the following change to Volume 54, Issue 4:

Ronald J. Tabak, *Overview of Task Force Proposal on Mental Disability and the Death Penalty*, 54 CATH. U. L. REV. 1123, 1125 (2005). The second full paragraph should read as follows:

After an organizational meeting in late 2003 and early 2004, the Task Force began substantive work. By mid-2004, the Task Force had developed a proposal with three prongs. Later that year, the National Alliance for the Mentally Ill (NAMI) adopted this proposal as policy. In February 2005 so did the American Psychological Association. In November 2004 the American Psychiatric Association adopted as policy prong two of the Task Force's proposal.
